Spring 2006

New Board Members Elected

At the annual meeting of the Tanglewood Homes Association held on January 19, 2006, **Beth Dorman**, **Dan Flournoy**, and **Jim Holcomb** were elected to three-year terms on the board of directors. New officers for 2006 include **Mike Kuhn**, President; **Tara Mize**, Vice-President; **Dan Flournoy**, Secretary, and **Robin Floyd**, Treasurer. Committee chairs for 2006 are as follows:

- Deed Restrictions** – Tara Mize
- Finance** – Robin Floyd
- Governmental Relations** – Gayle Hightower
- Grounds/Garbage** – Dan Flournoy
- Insurance** – David Oelman
- Security** – Chip Webster

Tanglewood Garden Club

If you are not a member of Tanglewood Garden Club, you are invited to join. The group meets the 3rd Tuesday of each month September through April. There is a September Coffee, December Holiday Tea, and a February Progressive Luncheon that is held in five beautiful homes. For membership information, please call Susan Betz at (713) 621-5340 or Cathy Meagher at (713) 623-2767. Nelda Womack will serve as president for 2006-2007.

Approval Required

Don't forget that approval is required for all **fences**, **driveways** and/or **HVAC** units that are being replaced. Fences are subject to an **eight foot (8') height limitation** and HVAC units are subject to setback requirements. Swimming pools and pool equipment also must be approved, and a builder's deposit is required prior to commencement of any construction. If you have any questions, call (713) 781-1642.

Sgt. Jeff Headley Appointed as Tanglewood Patrol Coordinator

Jeff Headley has been appointed as the new Tanglewood Patrol coordinator. Headley assumed his new duties on April 1, 2006. Jeff has worked for the Houston Police department since 1996, becoming a sergeant in January, 2002. Headley has been a patrol officer in Tanglewood since 1996 and also has served as coordinator of security for another subdivision in southwest Houston. Jeff has compiled an outstanding record with the Houston Police Department since becoming a police officer, having been recognized numerous times for his outstanding work with the department. Headley is the son of Lt. Ron Headley, who retired at the end of March after 25 years of service to Tanglewood. After evaluating candidates for the job, Headley was chosen by the Tanglewood board because of his outstanding record with HPD and his familiarity with Tanglewood and its security operations.

Hours for Construction and Landscape Work

Don't forget that all outside work and/or interior work that generates noise that can be heard by adjoining property owners is subject to start and completion times. **Monday through Friday**, all work must be performed between **7:30 am** and **sunset**. **On Saturdays, Sundays and traditional holidays**, all work must be done between **9:00 am** and **6:00 pm**. Call the Tanglewood office to report a violation. On weekends or when the Tanglewood office is not open, call Tanglewood Patrol. While HPD department policy precludes Tanglewood officers from enforcing deed restrictions, the responding officer will log the complaint, and Tanglewood personnel will contact the perpetrator.

Please make sure your landscape contractor and anyone doing work at your home observe the applicable starting and ending times. Cards are available through the Tanglewood office, written in both English and Spanish, if your contractor is unable to speak English.

Security Update

As previously reported, Tanglewood has experienced an epidemic of vehicle burglaries. Thus far in 2006, nine vehicle burglaries have been reported. In addition, two burglaries were reported in January.

Sgt. Jeff Headley reminds residents to refrain from parking vehicles on the street if possible, always lock vehicles, never leave valuables in plain view even for a few minutes, and activate the vehicle security alarm to help prevent vehicle burglaries. Parking vehicles in driveways or garages can greatly reduce these types of losses. Garages should be locked at all times to protect valuable articles that might be stored there.

As a reminder, all Tanglewood residents should activate home alarm systems any time you leave your house, even for a walk or errand. In most cases, the sound of an alarm will frighten burglars away.

Never admit anyone to your home that is not known. Residents are advised to contact the Tanglewood Patrol immediately if anyone comes to their home identifying themselves as any type of contractor or other employee requesting permission to look in their home, backyard, or elsewhere. A Tanglewood Patrol officer will be happy to check the person's identification to verify that the individual is legitimate.

Should any suspicious activity be observed, please call Tanglewood Patrol immediately. The officer on duty will check the activity to make sure it is authorized and appropriate. Being vigilant and observant are good deterrents to crime in Tanglewood.

Please register your e-mail address on Tanglewood's website, www.tanglewoodhomes.org to receive security alerts.

OFFENSE	2000	2001	2002	2003	2004	2005
Burglary	5	7	1	9	8	5

Auto Theft	2	0	2	0	4	0
Criminal Mischief	20	11	8	5	7	7

*Burglary of a motor vehicle.

Safety tips are presented again for your protection:

Safety Tips

- Take advantage of Tanglewood security's **escort service**, especially during evening hours. Contact the Tanglewood dispatcher at (713) 513-7700 or the patrol car directly at (713) 628-9191; an officer will meet you at your home and see you safely inside.
- When returning home, **check the area for any suspicious vehicles or persons**. If you observe anything unusual, drive past your home and notify Tanglewood Patrol. Wait for a patrol officer before entering. Once in your home, lock all house entry doors. If you have an alarm, bypass your motion detectors and activate your alarm.
- As you approach your home, **check your rear-view mirror**. Should you observe a vehicle behind you, keep driving to see if the vehicle follows. If you feel you are being followed, go to a grocery store, a business where people are located, or the fire station located on Woodway. If you have a cellular phone, call Tanglewood Patrol immediately at (713) 628-9191 and give your location.
- **If you are confronted by an armed robber, remain calm, follow instructions, and DO NOT RESIST.** Pay close attention to the individual(s)' physical features, such as height, weight, age, race, hair length and color, facial hair, and any distinguishing features which will enable you to better describe the individual to police.

If you have an alarm system, instruct the alarm company to call **the Tanglewood dispatcher FIRST at (713) 513-7700** when an alarm is detected, even before calling your home, to determine if the alarm is false. **Tanglewood Patrol does not charge for false alarms.** Calling Tanglewood Patrol first will decrease the response time by several minutes.

Cars, Trailers, etc. Should Not Be Parked on the Street

City Ordinance 45-121 prohibits any motorized **vehicle** from being parked on a public street for longer than **twenty-four (24) hours**. Section 45-123 prohibits a trailer, either attached or unattached to a motor vehicle, from being parked on a public street for longer than **two (2) hours**. **Under no circumstances should a trailer be left in the street overnight**. Please observe these parking ordinances.

No Street Dumping

Dumping dirt or other material in the street is a violation of City Ordinance 40-13 and 40-21. Please make sure your landscape contractor is aware of these ordinances. Bulk material that is delivered should be dumped on the site instead of the street. **Under no circumstances may material of any kind be left overnight in the street**. Perpetrators are subject to a fine for violation of these ordinances, and Tanglewood Patrol officers are authorized to issue citations.

Recreation Equipment

Tanglewood residents are reminded that **swing sets, trampolines, jungle gyms, forts, portable basketball goals, etc. are prohibited in front setback areas**. Such equipment should be located in back yards so it is not visually offensive to other residents.

Aside from deed restriction issues, **every resident should be aware of personal liability issues should an uninvited child be injured on equipment that is easily accessible**.

In addition, residents are reminded not to keep portable sports equipment such as soccer nets in the front yard for extended periods of time when not being used.

Trunk Shows, Estate/Garage Sales, Prohibited

Tanglewood residents are reminded that all estate and garage sales as well as trunk shows and open houses where merchandise is sold are against the deed restrictions and strictly prohibited. **The THA board will take legal action against violators if it becomes necessary**. Estate sale operators have been warned about this prohibition. Residents should not attempt to hold functions of any kind where merchandise is sold. If you have any questions, contact the Tanglewood office.

Pet Doos and Don'ts

City Ordinance 6-101 states that a dog may not run loose outside an owner's yard. Violators are subject to a maximum fine of \$200. Always keep your dog on a leash when taking your dog away from your property.

As a result of the adoption of City Ordinance 6-24, **it is against the law if you do not promptly remove and properly dispose of feces from your dog or cat**. Violators are subject to a fine of between \$75 and \$500. This includes your neighbor's yard. **If you walk your dog on Tanglewood Boulevard, please do not allow your pet to use the landscaped areas around the live oak trees as a depository**. A significant amount of money was spent to beautify the boulevard, so each person using it is asked to do his/her part to keep it beautiful. Trash receptacles are located on Tanglewood Boulevard for your convenience.

Dogs that bark continuously are a nuisance to neighbors. If your dog is kept outside, please make sure that your dog's barking is controlled. There are a number of effective ways to control continuous barking. While it is THA's policy to notify the pet's owner so corrective action may be taken, **it is against City Ordinance 30-6 to keep an animal that disturbs neighbors**.

Do your part to prevent your dog and cat from being a nuisance to neighbors. Courtesy and consideration are contagious.

No Soliciting in Tanglewood

Door-to-door solicitation is prohibited in Tanglewood. Should a solicitor come to your door, do not open your door. Immediately call Tanglewood Patrol and report the solicitor. The officer on duty will check to see if the solicitor has a permit from the City of Houston. If the solicitor does not have a permit, he/she will be asked to cease soliciting. However, if the solicitor does have a permit, HPD regulations strictly prevent an officer from enforcing deed restrictions because it becomes a civil matter. In that case, the officer will obtain the name and address of the solicitor's company/organization and notify the THA office. If the solicitation occurs during normal office hours, THA personnel will notify the individual(s) that solicitation is against the deed restrictions and ask the solicitor(s) to leave the subdivision. Should the solicitation occur when the THA office is closed, a letter will be written to the company/organization informing it that soliciting in Tanglewood is prohibited. Don't forget that making purchases from door-to-door solicitors only encourage them to come back again.

Tanglewood Foundation Donors

Tanglewood Foundation contributions received since the last newsletter include the following:

Tanglewood Garden Club Donates Live Oak Trees

Tanglewood Garden Club again donated money for two new live oak trees for the Tanglewood Boulevard esplanade between Candlewood and Holly Springs. This marks the third year that the Tanglewood Garden Club has donated money for new trees on the boulevard. Two trees were donated in 2005 and four in 2004. Special thanks to Tanglewood Garden Club for enhancing the beauty of Tanglewood.

311

311 is a consolidated system operated by City of Houston that provides a single, easy-to-use number to access city services from 6:00 a.m. till midnight, 7 days a week. You may report any problem involving city services by calling 311. You also may log into the city's website, https://webintake.houstontx.gov/web_intake/ Controller, to report the problem via e-mail. 311 may be used to report problems ranging from pot holes to water leaks to street lights burned. For emergency problems involving the police or fire departments, 911 should continue to be used.

Garbage Update

Allied Waste (formerly BFI) provides back-door garbage pickup in Tanglewood. Residents are asked to use this service and not place trash at the curb. In addition to regular household trash, **up to eight bags of landscape material will be picked up at the back door at each scheduled pickup.** Please ask your landscape contractor to place all bags of landscape material at the back door along with the rest of the regular garbage. By doing this, unsightly plastic bags will not remain at the curb for several days between garbage pickups, especially over the weekend. Your cooperation is appreciated.

For contractors not speaking English, cards explaining this are available, written in both English and Spanish, from the Tanglewood office .

From time to time, residents have complained about non-trash items being removed by garbage personnel. To prevent this from happening, please do not keep anything that might be mistaken for trash near your trash receptacle area.

Through generous donations received from Tanglewood homeowners and friends, checks for over \$18,000 have been presented to Lt. Headley as a thank you for his 25 years of service to Tanglewood.

Thank you from Ron Headley

Dear Tanglewood Residents,

I wish to express my appreciation to the residents of Tanglewood and its Board, both past and present, for the opportunity to serve as a patrol officer and as the supervisor of Tanglewood Patrol for the last 25 years. The combined efforts of the Tanglewood board, its residents, administrative staff, and officers patrolling the streets have made Tanglewood one of the safest neighborhoods in Houston. With a continued commitment to security, there is no doubt that Tanglewood will remain a premier neighborhood, one in which each of you can be proud to reside.

The kindness and generosity shown to my family and me honoring my retirement with your gifts has been overwhelming, and I cannot say enough to express my appreciation. If I can ever be of assistance to any of you, please do not hesitate to contact me. Again, thank you and God bless.

Sincerely,
Ron Headley
